CineSol Film Festival

CineSol 36 Hour Film Race
ROSTER OF TEAM PARTICIPANTS, ACTORS AND CREW

(Attach to the Registration Form together with Release Form/s)
Clearly record each participant's name, and title (Producer, Director, Scriptwriter, actor, etc.).
CineSol awards category prizes, and you must be included in the roster with all required paperwork submitted to be eligible to win. Members may be listed for more than one category, e.g., one person can be your team's Producer, Cameraperson, and Art Director.

CineSol makes it the Team Captain's responsibility to see that all crew, cast members and team participants sign a Participant Release Form. Release forms are available on Cinesol.com. It is recommended that all participating actors and team participants be registered. However, **CineSol 36 Hour Film Race** realizes this may be difficult due to the spontaneity of decisions made during the competition. Therefore, participation forms and release forms for extras may be turned in with the finished film.

Each person participating (crew and cast) in the film must sign a participant release form.
Each person appearing in the film must **also** sign a talent release form.
